

SCHANN JORSON B. ALVES

Davao City, Philippines • +63 985 502 9374 • alvesschann@gmail.com

PROFESSIONAL SUMMARY

Motivated Computer Science student with a strong foundation in programming, software design, and web technologies. Passionate about creating intuitive, responsive, and accessible web experiences. Eager to apply academic knowledge in real-world settings through internships, while continuously expanding skills in front-end and back-end development.

TECHNICAL SKILLS

Languages	HTML5, CSS3, JavaScript, Python, Java, SQL, PHP
Front-End	React.js, Tailwind CSS, Streamlit
Back-End	Node.js, Express.js, MySQL
Databases	PostgreSQL, MySQL
Tools	Git, Figma

PROJECTS

UM-based Book Shop

Java

- Designed and developed a system for a university bookstore, featuring inventory management and a user review module.

Ar's Flowers

CSS, PHP, MySQL

- Built an e-commerce website for a local flower shop, covering product catalog, ordering, and a MySQL-backed database.

YOLOv8-Based Helmet Detection

Python, Streamlit

- Developed a computer vision project for detecting helmet usage, supporting both image and video inference via a Streamlit interface.

EDUCATION

Bachelor of Science in Computer Science

2023 – Present

University of Mindanao, Davao City

Relevant Coursework: Data Structures & Algorithms, Web Development, Database Systems, Software Engineering, Object-Oriented Programming, Computer Networks

CERTIFICATIONS

- IT Specialist – Databases, Certiport (2024)
- IT Specialist – Java, Certiport (2023)
